U SHAPED SOFA

LARGE SUNBITHING BOW AREA

TORNADO 45

Where elegance and sportiness come together: the Tornado 45 was born in 1995 from the project of the acclaimed American designer Tom Fexas; it immediately stands out for its streamlined line with a decidedly pointed bow capable of expressing a strong image, character and great personality.

The commercial success comes together with the successes that the hull wins by winning the prestigious offshore tender “Venice – Montecarlo” in 1997.
